

ph by Anna Nowkova

SEREBRO GALLERY

Hello, I'm Anna, a contemporary art agent

My project Serebro Gallery is aimed to make professional information available for every member of the art market. We provide access to both informational resources and hot market insights. Our main activity is digital exhibitions based online. We are open to any kind of online collaborations and offer a space on our platform.

To see our exhibitions, please check the section "EXHIBITIONS". For collaboration, please contact us by email.

Values

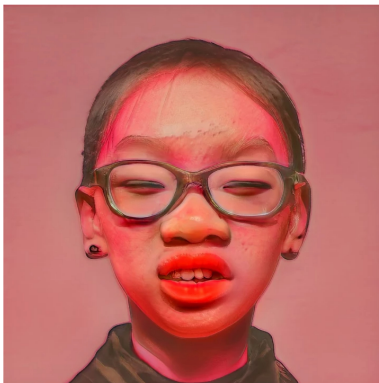

Mission

Vision

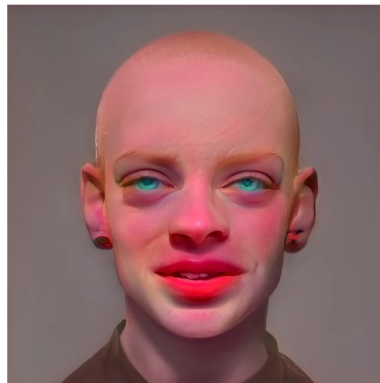

The aim of my online platform is to create a professional community for the art industry members to share our experience and market insights. Serebro Gallery is a combination of digital exhibitions and interdisciplinary educational materials that can interest both newborn and advanced users
